SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(i)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(i), Applicant brings to the attention of the Examiner the documents listed on the attached PTO/SB/08 form. Applicant files this Information Disclosure Statement (IDS) after payment of the issue fee for the above application, but before issuance of the patent. Applicant respectfully requests that the Examiner place this IDS in the file for this application. Applicant does not consider the references listed on the attached PTO/SB/08 form to be material to patentability, though these documents are being cited to fully comply with the duty of disclosure.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If any of the documents are applied as prior art in a proceeding against any claims in the patent issuing from this application

and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the patent issuing from this application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
